

**Majors for Traditional Camps 1, 2 and MiniCamp:** Campers choose one activity for the whole week that they do each morning for an hour. This year they sign up for their Majors on the Sunday they arrive. Encourage them to look over the choices ahead of time.

**BEEP:** Build, Explore, Eat and Play. Build fires and shelters. Explore trails, animal tracks, hidden natural playgrounds, and the forest's treasures. Eat wild food and learn to identify edibles.

**Camp Olympics:** Play different competitive sports and games each day.

**Farm & Cook:** Harvest, cook, eat, and play in the camp gardens and farmyard.

**Herbal Potions:** Harvest herbs and create useful herbal concoctions for your lips, skin, and even your teeth!

**Passport:** Fill up your camp passport with stamps by visiting a new country every day. We will learn about their traditions, food, games, and culture. We hope to visit the countries our staff represents such as England, Poland, Australia and New Zealand.

**Theater:** Play theater games and prepare campfire skits.

**Photography:** (ages 10+) Hike with a camera and capture the beauty all around you. Please bring a point & shoot digital camera or a digital SLR (not a phone).

**Woodcrafting:** (ages 10 +) Use your creativity to design and construct a project of your choosing. Learn how to use ropes, sticks, lumber, and hand tools to build your dreams.
